#### School Context

Alfreton Park Community Special School is a specialist school in the heart of Derbyshire, providing a high-quality education for pupils aged 2 to 19. The pupils who attend our school have varying degrees of learning difficulties, including Moderate Learning Difficulties (MLD), Severe Learning Difficulties (SLD) and Profound and Multiple Learning Difficulties (PMLD). We cater for pupils who are affected by a very wide range of specific medical and physical conditions, including but not limited to; Autism, Down Syndrome, Epilepsy, Sensory Impairment, and Physical Disabilities.

Beyond their learning difficulties and disabilities, many of our pupils face additional challenges in their lives. The school receives Pupil Premium funding to spend on interventions and initiatives to support disadvantaged pupils, in order to ensure they are able to achieve at the same level as their peers. Our Pupil Premium spending is therefore designed to address the specific challenges faced by these pupils. The issues listed below represent some of the barriers to development that may be present, and the objectives identified in this strategy document are directly linked to these challenges;

- The area of the curriculum where challenges and difficulties may be most likely for these pupils is Social, Emotional and Mental Health. They may find it hard to feel secure in themselves and with their peers, and they may lack confidence or independence.
- Many families are stretched by the pressures of caring for children with complex needs, and can find it difficult to access the support they need and are entitled to from the relevant services and authorities.
- Pupils may develop communication skills more slowly where the right support and resources are less available, and this can lead to a negative impact on other areas of learning and behaviour.

### Learning Together for Personal Success

- The physical health and wellbeing of pupils may suffer if they do not have enough opportunities for exercise and full access to a balanced and nutritious diet.
- As a result of the factors described here, it may be more likely for these pupils to fall behind in all areas of their learning, and not just those that are most directly impacted by their disadvantages.
- The objectives and activities listed here apply for the 2020-21 academic year. The impact of these interventions will be evaluated in Summer 2021, informed by the success criteria outlined in this document. School leaders and governors will be guided by the insights gained from this review as they begin to develop a Pupil Premium spending strategy for the following year.

#### Current Attainment

As of Spring 2020, there is very little difference in the attainment of those pupils eligible for the pupil premium grant and the rest of the school (0.53 points). However, given the potential impact of the pandemic on pupils in both the disadvantaged groups and the whole school, we must endeavour to ensure this gap does not widen. The planned spend of the pupil premium grant below reflects our intentions.

<p>To maintain and develop supportive relationships between school and families, and engage parents and carers in school life and the education of their children.</p>	<p>Maintain Family Support Worker role with DSL and parent liaison responsibility. FSW is a vital role as school lead on Safeguarding, child Protection, Children in Need, and Looked After Children. Where appropriate FSW will act as an advocate and support PP families with; accessing Free School Meals, accessing social care provision, transition to adult services, and other areas where families may need support. FSW will also coordinate coffee mornings and parent workshops for PP pupils, and act as the school point of contact for the Friends of Alfreton Park parent group. Work will also include the continued development of a parent council and the instalment of an Early Help Support Coordinator. Senior leaders and governors will work alongside the Family Support Worker to develop other strategies for increasing engagement with families and the support we offer as a school.</p> <p>Increase the capacity of the FSW role to enable higher level of support and level of involvement in Early Help Support.
