Dear parents and carers,

The aim of this information report is to explain how we implement our SEND policy. In other words, we want to show you how SEND support works in our school.

If you want to know more about our arrangements for SEND, read our SEND policy. You can find it on our school website.

Note: If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

Best wishes,

A handwritten signature in black ink that reads "Josie O'Donnell". The signature is written in a cursive style with a vertical line to the left of the first few letters.

Josie O'Donnell

Headteacher

What types of SEN does the school provide for?

Our school provides for pupils with a wide range of needs, including but not limited to:

AREA OF NEED	CONDITION
Communication and interaction	Autism spectrum disorder
	Speech and language difficulties
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia, dyscalculia
	Severe learning difficulties
Social, emotional and mental health	Attention deficit hyperactive disorder (ADHD)
	Attention deficit disorder (ADD)
Sensory and/or physical	Hearing impairments
	Visual impairment
	Multi-sensory impairment
	Physical impairment

Which staff will support my child, and what training have they had?

Class Teachers

All of our teachers receive in-house and external SEN training, and are supported to meet the needs of pupils who have SEN.

Teaching assistants (TAs)

We have a team of TAs, including higher-level teaching assistants (HLTAs) who are trained to deliver SEN provision.

We have teaching assistants who are trained to deliver interventions such as the Thrive Approach.

External agencies and experts

Sometimes we need extra help to offer our pupils the support that they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEN and to support their families. These include:

- Speech and language therapists
- Educational psychologists
- Occupational therapists

- GPs or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Social services and other LA-provided support services

What should I do if I think my child has an additional need that has not already been identified?

The first person you should tell is your child's teacher.

They will pass the message on the relevant team member, who will be in touch to discuss your concerns.

We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are.

Together we will decide what outcomes to seek for your child and agree on next steps.

We will make a note of what's been discussed and add this to your child's record. You will also be given a copy of this.

If it is decided that your child needs a referral, we will support you with the best way to do this.

How will I be involved in decisions made about my child's education?

We will provide annual reports on your child's progress.

We know that you're the expert when it comes to your child's needs and aspirations and we want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child. We also want to hear from you as much as possible so that we can build a better picture of how the support we are providing is impacting your child outside of school. If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

If you have concerns that arise between these meetings, please contact your child's class teacher.

How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age, and level of understanding. We recognise that no two children are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes
- Discuss their views with a member of staff who can act as a representative during the meeting
- Complete a survey.

How will the school adapt its teaching for my child?

Your child's teacher responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will adapt how we teach to suit the way the pupil works best. There is no 'one size fits all' approach and we work on a case-by case basis to make sure the curriculum delivered is meaningful to your child.

How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

- Reviewing their progress towards their goals each term
- Reviewing the impact of interventions
- Using pupil questionnaires
- Monitoring by the SLT
- Using provision maps to measure progress
- Holding an annual review

How will the school resources be secured for my child?

It may be that your child's needs mean we need to secure:

- Extra equipment or facilities
- More teaching assistant hours
- Further training for our staff
- External specialist expertise

We work with the local authority to decide on an appropriate amount of funding.

How will the school support my child's mental health and emotional and social development?

We provide support for pupils to progress in their emotional and social development in the following ways:

- Pupils are encouraged to be part of the school council
- Pupils are also encouraged to be part of clubs to promote teamwork/building friendships
- We provide extra pastoral support for pupils
- We have nurture provision for pupils who need extra support with social or emotional development
- We have a 'zero tolerance' approach to bullying. Please see our Anti-Bullying Policy, available on our website.

What support will be available for my child as they transition between classes or settings or in preparing for adulthood?

Between classes

To help pupils be prepared for a new school year we:

- Ask both the current teacher and the next year's teacher to attend final meeting of the year when the pupil's SEND is discussed
- Schedule lessons with the incoming teacher towards the end of the summer term

Onto adulthood

We provide all our pupils with appropriate advice on paths into work or further education.

We work with the pupil to help them achieve their ambitions, which can include goals in higher education, employment, independent living and participation in society.

What support is in place for looked-after and previously looked-after children with SEN?

The headteacher is the designated teacher for looked after children and works closely with the senior family support practitioner. Together they make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEND might interact, and what the implications are for teaching and learning.

Children who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after pupils will also have a personal education plan (PEP). We will make sure that the PEP and any SEND support plans or EHC plans are consistent and complement one another.

What should I do if I have a complaint about my child's SEN support?

Please see our complaints procedure, available on our website.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

If you feel that our school discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first-tier SEND tribunal. To find out how to make such a claim, you should visit: <https://www.gov.uk/complain-about-school/disability-discrimination>

You can make a claim about alleged discrimination regarding:

- Admission
- Exclusion
- Provision of education and associated services

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal.

What support is available for me and my family?

If you have questions or are struggling to cope, please get in touch to let us know. We want to support you, your child and your family.

To see what support is available to you locally, have a look at Derbyshire County Council's local offer.
