	<p>All pupils to access the reaction wall in the sports hall.</p> <p>Further develop and increase the pupils who access the rebound therapy room and outdoor trampolines with correct permissions.</p>

### Action plan based on the 5 Key Indicators

<b>Academic Year:</b> 2022/2023	<b>Total fund allocated:</b>  £16,000 plus £10 per primary pupil  £21,295 on the sheet	<b>Date Updated:</b> September 2023		
<b>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity</b>				
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	
<b>School focus with clarity on intended impact on pupils:</b>	<b>Actions to achieve:</b>	<b>Funding allocated:</b>	<b>Evidence of impact: what do pupils now know and what can they now do? What has changed?</b>	<b>Sustainability and suggested next steps:</b>
<p>Train pupils to be School Sports council members to increase physical activity levels and develop pupils' leadership skills during playtimes.</p> <p>Explore the options of training up students in Sports Leadership in school.</p> <p>To consider lunchtime and after school club options to promote physical education to as many pupils outside of their regular daily activity.</p>	<p>Arrange training with our PE specialist</p> <p>Support council members to attend termly meetings</p> <p>Purchase equipment which has been selected by the sports council</p> <p>Audit of students interests for potential lunchtime clubs.</p>	<p>AVSSP Affiliation Fee £395</p>	<p>Pupils accessed a range of sports through AVSSP. Broadening their skills &amp; knowledge, as well as increased awareness of sports available. E.g., rowing and tough Mudder etc.</p> <p>Classes who wouldn't have accessed Table cricket in the past have had the opportunity and engaged in a festival at the County ground. Pupils were proud that they could play something similar to their siblings.</p>	<p>Continue with affiliation fee.</p> <p>Continue to use AVSSP to develop our sports leadership opportunities across school.</p> <p>Continue to send core group of PE team on AVSSP CPD sessions and feedback to staff in school.</p> <p>Arrange a voting system so that the sports council can be established. Enabling pupil voice through sport &amp; PE.</p>
To increase physical activity throughout the school day – all pupils will achieve their daily physical activity	Daily mile/active learning	£500	Pupils enjoy regular movement breaks, which links to the benefits of healthy lifestyles and exercise.	Explore new routes and options to keep it motivating for students,

guideline of 30 minutes. With some pupils exceeding 60 minutes.	Daily physical and sensory implementation of ILP targets  Purchase a wider range of resources to be used during playtimes/sensory circuits etc		Pupils remain focussed and more formal learners understand the value of exercise. Daily exercise also allows pupils to reach their target of dedicated PE & Sport time per week. Every pupil has access to at least 2 hours of physical activity per week.  More pupils in school are accessing the bikes, particularly now we have the dedicated area for cycling. A higher percentage of pupils can now also ride a bike since the space is more readily available. More pupils take a keen interest in bikes and like to help 'fix' them.	particularly now we are established in our new school building. Lunch time clubs possibilities.  Sustainability could be jeopardised due to staff being unable to facilitate this.
To expand on our use of bikes in school; update and purchase new equipment as seen appropriate.	To evaluate and purchase new bikes for school.  To organise a bike trip.  To begin a bike maintenance club (and/or cycling club)	£2000 (including any maintenance fees & costs)		Continue to monitor usage of bikes. Which styles are more popular & what investment we need to make, link to bike maintenance & sports council. Liaise with AVSSP regarding cycling proficiency & bikeability. Bike club during enrichment. Sustainability could be risked due to management of looking after bikes/putting away/care of times. Speak to AVSSP to see how they could suggest ways in improve this.

**Key indicator 2: The profile of PESSPA (Physical Education, School Sport and Physical Activity) being raised across the school as a tool for whole school improvement**

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Raise the profile of PE with parents, pupils and staff so that everyone is enthusiastic and encouraged to take part in school sport.	Noticeboard in place.  Display regularly updated.  Celebrate through the weekly newsletter to parents, Dojo and Facebook page.		Pupils share a sense of pride in their achievements, as well as aspiring to become the best they can through the display.  Pupils have increased awareness of sport at Alfreton Park. As well as in the community and in the wider world.	Display board will be in the sports hall, showing off sporting achievements, role models and a range of sports. Highlighting sport in school and what PE looks like in our school.

	<p>Purchase a wider range of resources to be used during playtimes/sensory circuits etc</p> <p>Purchase sports t-shirts so pupils have a sense of belonging when attending events</p>	<p>£2000</p> <p>£500</p>	<p>Pupils recognise sport and PE as an important part of their week in school.</p> <p>Progress in physical development/physical and sensory celebrated as part of the achiever's assembly.</p> <p>Pupils take part in a range of sporting activities/competitions.</p>	<p>Continue AVSSP competitions next year and celebrating them.</p>
<p>Physical activity to be celebrated in assembly to ensure the whole school is aware of the importance of PE, sport and physical activity, encouraging pupils to take part.</p>	<p>Weekly assembly to award Sportsperson of the week.</p> <p>Achievements are celebrated.</p> <p>Children rewarded for sport/achievement /physical activity.</p>	<p>£0</p>	<p>Specific sporting achievements are celebrated in classes, through the newsletters and on Facebook/Dojo. Progress is recorded through learning journeys, observations and summative assessment systems like BSquared.</p> <p>Certificates given in assembly when pupils have taken part in AVSSP events.</p>	<p>Consider including more sport/PE specific achievements when writing proud moments for the newsletter.</p> <p>A range of staff support this so should be sustainable.</p>
<p>Further inform parents of what clubs are accessible for our pupils e.g., swimming, gymnastics, within the local area.</p>	<p>Share information about events, competitions and festivals the school is participating in via social media.</p> <p>Share national messages re importance of PE, Sport and Physical Activity.</p>	<p>£0</p>	<p>Ongoing updates to parents/pupils for improved awareness and importance of sport &amp; PE.</p> <p>Positive promotion of sports clubs available which are accessible.</p> <p>Knowledge and skills have been broadened in line with raising the profile of sport, as well as ensuring a range of opportunities have been available for all of our pupils e.g., more days with AVSSP.</p>	<p>Continue to share all the experiences and progress pupils make in various public forums if appropriate.</p> <p>Continue to share any sports club's information which we find out about so that our pupils can access more extracurricular activities.</p> <p>Look for more SEND sporting opportunities in the local area.</p>
<p>Update PE policy and link to whole school plan, raising the profile of PE and Sport and ensuring pupils get a range of opportunities to be active, healthy learners.</p>	<p>Update PE policy and share with staff/governors.</p>	<p>£0</p>		<p>Update PE policy inline with government guidance/local strategies and our new building.</p>

<p>Arrange whole school Health and Fitness Day. Raising the profile of PESSPA across all our stakeholders. Inspiring and motivating pupils to be active and healthy learners.</p>	<p>Agree date and plan activities</p> <p>Engage with outside providers, e.g., sports clubs, caterers (healthy eating) etc.</p> <p>Update staff &amp; invite parents where appropriate</p> <p>Promote event via Dojo &amp; newsletter</p>	<p>£600</p>	<p>Lots of days with a focus of sport or fitness however not a week. Days added up would equate to more than a week.</p> <p>All pupils participated in days which included; dance, rowing, martial arts, obstacle course and Lea Green There were extremely successful with many pupils asking for them again.</p> <p>Looking at whole school sports day linking with Andy Bell (special Olympics)</p> <p>AVSSP have been able to provide whole school days so that all pupils gain an experience, knowledge and opportunity to take part in a new sport.</p>	<p>Consider what classes would want, how to make it valuable for all pupils in school.</p> <p>Consider how this would look?</p> <p>Build better links with sporting professional linked to SEND sport.</p>
<p>Include local/national role models into learning about physical education &amp; sports. Allowing for pupils to aspire to become a local sporting hero themselves,</p>	<p>Learn which sports pupils are mostly aware of (link to sports council). Then invite them into school for a meet and greet style session.</p>	<p>£1000</p>	<p>Not fully met due to sporting events happening out of school hours, other sporting events such as Lea green and sailing.</p>	<p>Sport champion came into school who is from the local area(Imogen Clark). Pupils loved having her in and seeing her medal.</p>
		<p>£1000</p>		<p>Consider which live events our pupils would get most benefit from?</p> <p>Which pupils would enjoy the atmosphere and consider cost and time of staff? Possibly look at the Nottingham Tennis open for next summer. Ask if we can attend any training sessions which might happen in Athletic arenas, ice hockey, basketball etc.</p>

				Consider what sports we haven't had in school or which sports could provide well sequenced and progressive lessons for our pupils.
