

Our Personal Development Opportunities

Work Experience Placements

Builds confidence, independence and real-world skills while preparing pupils for future employment and adult life.

Duke of Edinburgh Awards

Develops resilience, leadership skills and self-reliance through challenging outdoor experiences and community service.

Open Music Awards

Enhances self-expression, builds confidence and provides achievement recognition in creative arts.

Arts Award

Fosters creativity, cultural understanding and personal expression while building portfolio skills.

Bike Maintenance

Develops practical life skills, problem-solving abilities and promotes independence through hands-on learning.

Outdoor Learning (Horticulture & Forest School)

Connects pupils with nature, reduces anxiety, builds environmental awareness and develops patience and nurturing skills while supporting Preparation for Adulthood through gardening skills, nutrition knowledge and developing lifelong hobbies and interests.

Nurture Support (Thrive, Art, Music, Drama)

Supports emotional regulation, builds self-esteem and provides therapeutic outlets for expression and healing.

Community Visits

Develops social skills, independence and community awareness while building real-world experience and confidence.

Business Partnerships

Provides authentic work experiences and builds relationships with local employers, enhancing future opportunities.

Music and Drama

Builds confidence, teamwork skills and emotional expression while developing communication and performance abilities.

Horse Riding

Develops trust, responsibility and emotional regulation while building physical coordination and confidence.

Personal Hygiene Skills Development

Develops essential life skills, self-care abilities and promotes health awareness and personal dignity.

Residential Visits

Builds independence, social skills and resilience while creating positive memories and broadening horizons.

Day Trips

Expands cultural capital, builds social awareness and provides enriching experiences beyond the classroom.

Special Visitors

Inspires pupils, broadens perspectives and connects learning to real-world experiences and career possibilities.
